Federal Judge Issues Order Restraining Commission From Criminal Action.

Phoenix, Ariz, Jan 14.-Federal judge William Sawtelle today granted a temporary order restraining the corporation commission from bringing eriminal contempt proceedings against Col. Epes Randolph, president of the Arisona Bastern railroad. It does not apply, however, to the attorney general or county attorneys.

Last May the commission called for certain data in regard to passenger business which was not furnished by the Arizona Eastern. An order fining the company \$5000 for contempt was based in November and the commissioners asked the attorney general to bring criminal proceedings against the president.

ITCHING ECZEMA IS A CONSTANT BLOOD CRY

The Blood Reaches Every Part of the Body Every Twelve Seconds.

There are approximately 78,000,000 pores in the skin of a human body. These connect with the blood channels by means of little canals. These canals are sometimes filled with solsons and the skin scales and blistiffs sets red and raw and becomes the so much tissue fire.

Salves do not reach the source of the trouble. To make the blood pure is the only scientific method of rollof.

S. S. is the greatest blood purifier because it is a natural one. There is no mineral of any sort in it. It is purely vegetable.

So great is the fame of S. S. S. that many substitutes train along in various sections of the country. They all, sooner or later, die a natural death. S. S. E builds up weak aft acidy blood, gives prompt relief to almost every case of eczema, winter letter and other akin maladies. You owe yourself the duty of trying a bottle of S. S. Take no substitute.
